GOVERNMENT COLLEGE OF ENGINEERING | ERODE 2023 – Present
B.Tech.Information Technology
CGPA-8.39(till 5th Semester)

PU GOVERNMENT GIRLS HIGHER SECONDARY SCHOOL | DHARMAPURI 2022 – 2023
HSLC
Percentage:83%

PROJECTS

Bike Sales Dashboard (Excel Project)

- Developed an interactive Excel dashboard to analyze bike sales data, track monthly and yearly performance, and visualize trends using charts, pivot tables, and slicers. The dashboard helps in quick decision-making by highlighting top-selling models, sales by region, and performance.

User Pro – Modern User Profile Dashboard

- Built a responsive user profile dashboard using HTML5, CSS3, and JavaScript (ES6+) with a modern dark-themed UI.
- Implemented Firebase Authentication and Firestore for secure login, registration, and real-time profile data synchronization.
- Enhanced user experience with SweetAlert2 notifications, responsive layouts, and deployed the project using GitHub Pages.

College Connect – Web Portal for Students and Administration

- Developed a centralized web portal using HTML, CSS, JavaScript, and Firebase to streamline academic management and improve communication between students and administration.
- Implemented attendance tracking, marks management, study materials management, leave request system, and announcements module with real-time data updates.
- Designed role-based authentication for students and administrators using Firebase to ensure secure access and efficient data handling.

INTERNSHIP

Completed a 1-month Cyber Security internship at Xplore IT Corp, Coimbatore (23 June – 16 July 2025), gaining hands-on experience through practical assignments and real-time security concepts.

CERTIFICATIONS

- Certified NPTEL Elite in Industry 4.0 & IIOT (2025)
- Java Programming Fundamentals Certified by Infosys Springboard (2025)
- Completed NPTEL certification in Human Computer Interaction (Jan–Apr 2026) with Elite certification and secured 93%.
